Dear Sir

I just thought I would write to say a big thank you for the wonderful job you have done on my Golf. It really does look as good as new. Not only am I impressed with the job that you have done but also in the way you went about it all – from being ready for me when I dropped it off at 7.30 in the morning last Monday to having it all ready for collection at 7.30 this morning. I will most certainly recommend you to anyone who needs their car sorting out and thank you again for a fantastic job.

With best wishes  
Yours faithfully

Olivia Deighton
